

Bereaved Families of Ontario – Halton/Peel

July 12<sup>th</sup>, 2010

We are contacting you today to request your support for a golf tournament fundraiser we are hosting on behalf of Bereaved Families of Ontario-Halton/Peel and Strength Within Group.

**Bereaved Families of Ontario – Halton/Peel** is fundraising for the continued provision of community outreach through educational programs such as Teen GPS – Navigating Through Grief, Teen Share and Support, Expressive Art Therapy and Lunch and Learn. In 2009 BFO-H/P provided mutual peer support to over 840 grieving individuals.

Strength Within Group is fundraising in anticipation of our **2011 Strength Within Conference**. This conference will focus on developing self esteem through knowledge on health, wellness, safe choices, careers, financial literacy and leadership. Last year's conference brought together over 600 young women and expert speakers from around the province.

You can support this day by playing golf, organizing a foursome, becoming one of our tournament individual or corporate sponsors or providing silent auction items. ***If you are not a golfer, please join us in the evening for a wonderful cocktail reception, entertainment and silent auction.***

The tournament will be held at the Royal Ontario Golf Club, Trafalgar Road Milton on **Monday, August 23rd**. Additional details for registration and participation in the tournament & background on Bereaved Families of Ontario-Halton/Peel and the Strength Within Group can be found on the attached brochure.

Thank you again for your very kind support of our community endeavor.

Kind Regards,

Madeleine
