Walk to Remember - 2008

Thank you to all for making this year WTR the most successful ever. We had a lovely day as our loved ones provided us with a spectacular day. The walk, the food, the friends, were delightful and a special time had by all. Thanks to the Walk committee for their tireless efforts to have a wonderful and very successful event.

Community Champions - BFO H/P is looking for local community champions to lead events in and around your specific communities. As you know Halton-Peel is a growing place and it is difficult to get everybody together so we are looking for people to lead the outreach of our organization in their local communities. Please contact the office, if interested.

Groups will continue in the Fall and Volunteers are always welcome.

There is a Share and Support Night June 3rd.
